Insulating cable management systems for sea and port infrastructures

www.unex.net

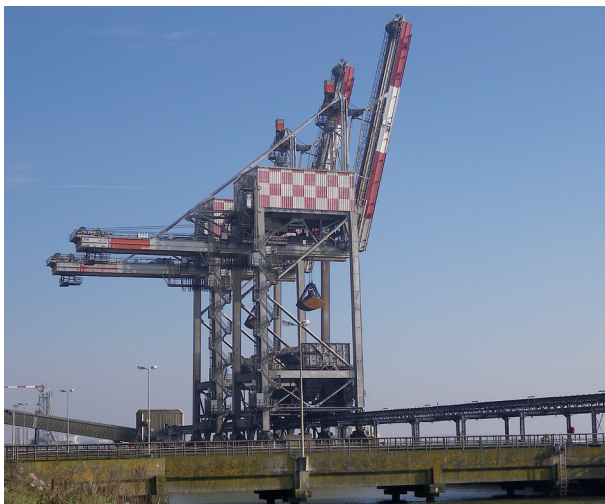

Insulating cable trays for cable distribution in maritime infrastructures

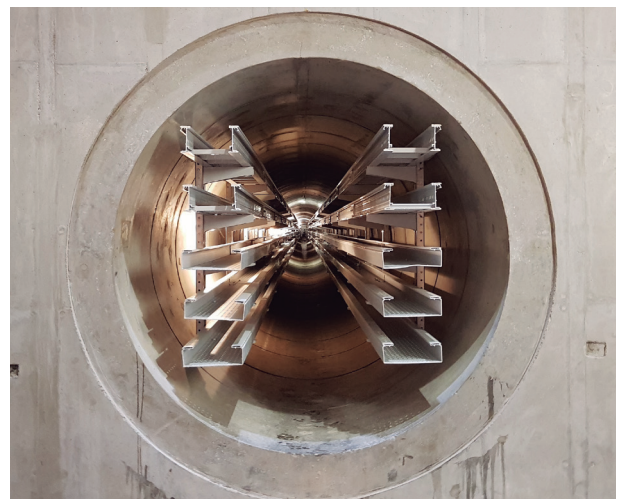

Unex offers insulating solutions to meet the protection and conduction requirements of cable distribution in port infrastructures: harbour cranes, dams, docks, piers, SPBBs, etc.

- **Resistance to saline corrosion**
- **Suitable for outdoor use: over 45 years' experience in installations under harsh climatology**
- **Electrical safety:**
 - Eliminates earthing and equipotentiality problems
 - Avoids creepage, hot spots and electrical arcs
- **Mechanical safety:**
 - Sturdiness
 - Impact resistance
- **Easy and quick mounting**
- **No need to upkeep the installation**
